Exodus 12:21-27

- Fulfilled, as described in 1 Corinthians 5:7 of the Injeel--- "Get rid of the old "yeast" by removing this wicked person from among you. Then you will be like a fresh batch of dough made without yeast, which is what you really are. Christ, our Passover Lamb, has been sacrificed for us."

Regarding the authenticity of the Bible, God himself revealed the Bible by divine inspiration to 40 eyewitnesses, in three languages, over three continents within a 1500-year period. As well, there are over 24,000 manuscript copies (in Greek, Syriac, Latin, Coptic, and Aramaic text) of the New Testament (Injeel) in existence today. These manuscripts have been copied with greater accuracy and earlier dating than any other secular classic from history. No other book, including the Qur'an comes close to this wealth of evidence.

Comparatively, there is only one eyewitness to the revelations of the Qur'an: Mohammed. The Qur'an disagrees with itself as to the time frame in which it was revealed: was it in one night (Qur'an 44:3) or was it over a period of time (Qur'an 17:106)? As well, there is no manuscript evidence of the Qur'an (in its complete and original text) dating back to the 7<sup>th</sup> century.
